

# Weathering

## ACCELERATED WEATHERING TESTS UNDER SPECIFIC UV LIGHT, HUMIDITY AND HEAT CONDITIONS

### KEY WORDS

ACCELERATED  
WEATHERING,  
OUTDOOR  
CONDITIONS  
SIMULATION,  
UV LIGHT  
EXPOSURE

### DESCRIPTION

The QUV accelerated weathering chamber can simulate the outdoor conditions that cause irreversible damages on many materials along years of exposure.

### AVAILABLE TECHNIQUES AND/OR EQUIPMENT

QUV Accelerated Weathering Tester. Model QUV/spray with solar eye irradiance control

### APPLICATIONS

Plastic films and products  
Coatings  
Adhesives  
Paints  
Textiles  
Papers and many other materials
