HIGH-PERFORMANCE  
TEAM DEVELOPMENT,  
EFFECTIVE  
DELEGATION

## MAIN CONTENTS

Communication Power, Performance, and Reputation ;Leadership; Time Management; Agile Methodologies; Effective Delegation; Oral Presentations; Analysis and Problem Solving; High-Performance Team Management; Conflict and Negotiation; Change Management

## COURSE DYNAMICS

The course aims to provide tools for middle managers in companies and public organizations. It creates a participatory space to explore leadership development focused on effective workplace relationships built on trust and empathy. Participants will analyze leadership skills and practices within their organizational context, reviewing styles, performance, and culture. The program also reflects on the current role of managers and strengthens key competencies such as communication, decision-making, conflict management, delegation, motivation, and high-performance teamwork aligned with organizational purpose.
